Dr. James Raker
Ark La Tex Health Center
1414 Arkansas Boulevard
Texarkana, AR 71854

Dear Dr. Raker:

In the past year we have sent several employees and prospective employees to Ark La Tex Health Center for pre-employment physicals and drug screens, random drug and alcohol screens and D.O.T. physicals.

We have been very pleased with the promptness with which your personnel have responded to our requests for appointments. We have always been able to schedule appointments when we needed them.

When any problem or question arises, you have given your personal attention to the situation and contacted me to resolve the issue. This personal attention is very much appreciated.

Thank you for the excellent service given us by you and your employees over the past year.

Best Regards,

Bill McKinney
